- (a) in connection with or pursuant to an offer by way of rights, open offer or other pre-emptive offer to the holders of shares in the Company and other persons entitled to participate therein in proportion (as nearly as practicable) to their respective holdings, subject to such exclusions or other arrangements as the Directors may consider necessary or expedient to deal with fractional entitlements or legal or practical problems under the laws of any territory or the regulations or requirements of any regulatory authority or any stock exchange in any territory; and

- (b) otherwise than pursuant to sub-paragraph (a) above up to an aggregate nominal amount of £1,653,485,
- and such power shall expire on the conclusion of the Annual General Meeting of the Company to be held in 2020 or on the date falling not more than 15 calendar months after the passing of this resolution, whichever is earlier, save that the Company may before such expiry make an offer or agreement which would or might require equity securities to be allotted or treasury shares to be sold after such expiry, and the Directors may allot equity securities or sell treasury shares in pursuance of such offer or agreement as if the power conferred by this resolution had not expired.

- (a) up to an aggregate nominal amount of £1,653,485; and
- (b) be used only for the purposes of financing (or refinancing, if such refinancing occurs within six months of the original transaction) a transaction which the Directors determine to be an acquisition or other capital investment of a kind contemplated by the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the date of this notice,

and such power shall expire on the conclusion of the Annual General Meeting of the Company to be held in 2020 or on the date falling not more than 15 calendar months after the passing of this resolution, whichever is earlier, save that the Company may before such expiry make an offer or agreement which would or might require equity securities to be allotted or treasury shares to be sold after such expiry, and the Directors may allot equity securities or sell treasury shares in pursuance of such offer or agreement as if the power conferred by this resolution had not expired. These authorities are in substitution for all existing power under sections 570 and 573 of the Act (which, to the extent unused at the date of this resolution, are revoked with immediate effect).

18. That the Company be generally and unconditionally authorised, pursuant to article 9 of the Articles and pursuant to section 701 of the Act, to make market purchases (as defined in section 693(4) of the Act) of up to 19,145,617 ordinary shares in the capital of the Company (being approximately 10 per cent of the current issued ordinary share capital of the Company) on such terms and in such manner as the Directors may from time to time determine, provided that:
 - (a) the amount paid for each share (exclusive of expenses) shall not be more than the higher of (1) 105% of the average middle market quotation for ordinary shares as derived from the Daily Official List of London Stock Exchange plc for the five business days before the date on which the contract for the purchase is made, and (2) an amount equal to the higher of the price of the last independent trade and current independent bid as derived from the London Stock Exchange Trading system or less than the nominal value per share; and

Explanation of Ordinary Business

Special Dividend (Resolution 3)

In light of the continued strong financial performance, cash generation and the robustness of the Company's balance sheet, the Directors consider it appropriate to propose a one-off special dividend of 20 pence on each share, in addition to the final dividend recommended under Resolution 2. The approval of this Resolution is not dependent on the approval of Resolution 2, nor vice versa. If this Resolution is approved, the recommended special dividend will be paid on the same basis as the final dividend.

Retirement of Directors (Resolutions 4 to 10)

Under the Articles each director must retire from office and stand for re-election by shareholders as a minimum at every third annual general meeting in order to continue to serve as a Director. However, in line with the UK Corporate Governance Code, and to further increase accountability, all Directors will retire at this Annual General Meeting and stand for re-election by the shareholders if they wish to continue to serve as Directors. Accordingly, the Directors retiring and offering themselves for re-election are Ms. A.C. Quinn, Mr S.C. Harris, Ms E. Lindqvist, Mr I.B. Duncan, Mr P. Larmon, Mr D. Yates and Ms L. Chahbazi.

Audit Retender – Election of new Auditors (Resolution 11)

Following the implementation of The Statutory Auditors and Third Country Auditors Regulations 2016 and the Audit Regulation (EU) 537/2014 on 17 June 2016, the Company is obliged to rotate its external auditors every 20 years and undertake a tendering process every 10 years. As more fully described in the Annual Report, the Company's Audit Committee undertook a tender process. The result of the tender was that the Audit Committee made a recommendation to the Directors that PwC be appointed as the new external auditor in place of Deloitte LLP, subject to shareholder approval. Accordingly, the Directors recommend to shareholders that PwC be appointed as the Company's auditor to serve until the next Annual General Meeting of the Company to be held in 2020.

Remuneration Report (Resolution 13)

UK listed companies are required to put before shareholders in general meeting a resolution inviting shareholders to approve the Remuneration Report. This is an advisory vote. The Remuneration Report gives details of the Directors' remuneration for the period ended 31 December 2018.

Remuneration Policy (Resolution 14)

Following changes made under the Large and Medium-sized Companies and Groups (Accounts and Reports) (Amendment) Regulations 2013 and the Enterprise & Regulatory Reform Act 2013, section 439 of the Act requires UK listed companies to ask shareholders to vote on the Remuneration Policy. This vote is binding and a resolution must be put before shareholders at least every three years (or when the policy changes).

Explanation of Special Business

Renewal of authority to allot shares (Resolution 15)

The Act provides that Directors shall only allot unissued shares with the authority of shareholders in general meeting. The authority given to the Directors at the last Annual General Meeting to allot (or issue) unissued shares expires on the date of this year's Annual General Meeting.

Resolution 15 renews a similar authority given at last year's Annual General Meeting. Resolution 15 will be proposed as an ordinary resolution for the renewal of the Directors' general authority to issue shares in the Company and to grant rights to subscribe for or to convert any security into shares in the Company:

- (a) up to an aggregate nominal amount of £22,046,468 by way of a pre-emptive rights issue (representing approximately two-thirds of the current issued share capital of the Company (excluding treasury shares) and with such amount to be reduced by the nominal amount of any equity securities allotted pursuant to paragraph (b) below); and
- (b) in accordance with the latest institutional guidelines issued by the Investment Association, up to a maximum nominal amount of £11,023,234 in any other case (representing approximately one third of the current issued share capital of the Company (excluding treasury

shares) and with such amount to be reduced by the nominal amount of any equity securities allotted pursuant to paragraph (a) above in excess of £11,023,234).

The Directors have no present intention of exercising either of these authorities, however consider that it is in the best interests of the Company to have the authorities available so that they have the maximum flexibility permitted by institutional shareholder guidelines to allot shares or grant rights to be allotted without the need for a general meeting should they determine that it is appropriate to do so.

As at the date of this document, no ordinary shares are held by the Company as treasury shares.

If given, the authority granted under Resolution 15 will expire on the conclusion of the Annual General Meeting of the Company to be held in 2020 or on the date falling not more than 15 calendar months after the passing of this resolution, whichever is earlier.

Disapplication of pre-emption rights (Resolutions 16 and 17)

The Act also provides that any allotment of new shares for cash must be made pro rata to individual shareholders' holdings, unless such provisions are disapplied under section 570 of the Act. The authority given to the Directors at the last Annual General Meeting to allot shares for cash pursuant to section 570 of the Act expires on the date of this year's Annual General Meeting.

Resolutions 16 and 17 which will be proposed as special resolutions will enable the Directors' to allot equity securities for cash or sell treasury shares for cash, without first offering them to shareholders pro rata to their holdings. These resolutions take the same form as the resolutions proposed at last year's Annual General Meeting.

Resolution 16 facilitates issues made by way of rights to shareholders which are not strictly in accordance with section 561(1) of the Act, and authorises other allotments of up to a maximum aggregate nominal amount of £1,653,485, representing approximately 5 per cent of the current issued ordinary share capital of the Company without having to comply with statutory pre-emption rights. This resolution renews the authority obtained at last year's Annual General Meeting. If given, the authority granted under Resolution 16 will expire on the conclusion of the Annual General Meeting of the Company to be held in 2019 or on the date falling not more than 15 calendar months after the passing of this resolution, whichever is earlier.

Resolution 17 seeks authority to allot an additional maximum aggregate nominal amount of £1,653,485, representing approximately 5 per cent of the current issued ordinary share capital of the Company without having to comply with statutory pre-emption rights. Like last year, the power proposed under Resolution 17 will be limited for use only for the purposes of financing (or refinancing, if such refinancing occurs within six months of the original transaction) a transaction which the Directors determine to be an acquisition or other capital investment of a kind contemplated by the Statement of Principles on Disapplying Pre-emption Rights most recently published by the Pre-emption Group prior to the date of this notice. If given, the authority granted under Resolution 17 will expire on the conclusion of the Annual General Meeting of the Company to be held in 2020 or on the date falling not more than 15 calendar months after the passing of this resolution, whichever is earlier.

The Directors intend to adhere to the Statement of Principles issued by The Pre-emption Group, as updated in March 2015, and not allot shares on a non pre-emptive basis pursuant to the authority in Resolution 16 in excess of an amount equal to 7.5 per cent of the total issued ordinary share capital of the Company (excluding treasury shares) within a rolling three year period, without prior consultation with shareholders.

Purchase of own shares (Resolution 18)

Under article 9 of the Articles the Company is empowered to purchase its own shares. The Directors consider that the power to make purchases in the market of the Company's own shares should be maintained and accordingly recommend the approval of the special resolution set out as Resolution 18. The Directors intend to exercise this authority only where, in the light of market conditions prevailing at that time, they believe that the effect of such purchases would be to increase earnings per share and would be in the best interests of the Company and of its shareholders generally. Any shares purchased in this way will be cancelled and the number of shares in issue will be reduced accordingly, or held as treasury shares. The resolution specifies the maximum and minimum prices at which shares may be bought, and the maximum number of shares which may be bought, being 10 per cent of the Company's issued ordinary share capital at 31 December 2018. At that date there were no share options over unissued shares.

Calling General Meetings on 14 clear days' notice (Resolution 19)

Section 307A of the Act provides that a general meeting of a 'traded company' such as the Company must be called by at least 21 days' notice, but may be called by at least 14 days' notice if three conditions are met. The three conditions are:

- (a) that the meeting is not an annual general meeting;
- (b) that the company offers 'the facility for shareholders to vote by electronic means accessible to all shareholders'. A condition that is met if there is a facility to appoint a proxy by means of a website; and
- (c) that shareholders have approved the holding of general meetings on 14 clear days' notice by passing a special resolution at the previous Annual General Meeting or at a general meeting held since the last Annual General Meeting.

The Directors consider it desirable that general meetings of the Company, other than the Annual General Meeting, can be called on at least 14 clear days' notice. Resolution 19, which will be proposed as a special resolution, will authorise the Company to call general meetings other than Annual General Meetings on 14 days' notice and the authority of this resolution will expire at the conclusion of the next Annual General Meeting.

Amendment to the Articles (Resolution 20)

Resolution 20 will be proposed as a special resolution and if passed will effect one amendment to the Articles.

In the Articles, the aggregate limit for non-executive directors' fees is £500,000. This cap has been in place at this level for the last 16 years. During this time the Company has never had more than four non-executive directors. However, following the appointment of Lili Chahbazi as non-executive director on 1 January 2018, the aggregate non-executive directors' fees is close to this limit. It is therefore proposed that an amendment is made in the Articles to increase the limit of fees for non-executive directors to £1,000,000. This will allow for the payment of fees to non-executive directors as well as additional headroom for future years.

Notes on Voting and Voting Rights:

1. Any member entitled to attend, vote and speak at the Annual General Meeting is entitled to appoint one or more proxies (who need not be a member of the Company) to attend and to vote instead of the member. Completion and return of a Form of Proxy will not preclude a member from attending and voting at the meeting in person, should he subsequently decide to do so.
2. Any member attending the Annual General Meeting has the right to ask any question relating to the business being dealt with at the meeting. The Company will answer any such questions unless exempted by the provisions of section 319A of the Act.
3. From the date of this notice and for the following two years the following information will be available on the Company's website and can be accessed at www.bodycote.com:
 - (a) the matters set out in this notice of meeting;
 - (b) the total numbers of shares in the Company and shares of each class, in respect of which members are entitled to exercise voting rights at the meeting; and
 - (c) the totals of the voting rights that members are entitled to exercise at the meeting in respect of the shares.

Any members' statements, members' resolutions and members' matters of business received by the Company after the date of this notice will be added to the information already available on the website as soon as reasonably practicable and will also be made available for the following two years.
4. A form to be used for appointing a proxy or proxies for this meeting to vote on your behalf can be found enclosed with this notice and the Form of Proxy provides details of how to cast a vote electronically.
5. In order to attend and vote at this meeting you must comply with the procedures set out on the front page of the notice of this meeting and any further instructions given to you prior to or during the course of the meeting itself.
6. Entitlement to attend and vote at the meeting and the number of votes which may be cast thereat will be determined by reference to the Register of Members of the Company at 6:30pm on the day which is two days before the day of the meeting or adjourned meeting. Changes to entries on the Register of Members after that time shall be disregarded in determining the rights of any person to attend and vote at the meeting. In order to be valid, an appointment of proxy (together with any authority under which it is executed or a copy of the authority certified notari ally) must be returned by one of the following methods:
 - (a) in hard copy form by post, by courier or by hand to the Company's registrar, Equiniti, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA; or
 - (b) you may submit your proxy appointment electronically by accessing the website www.sharevote.co.uk where full details of the procedure are given. You will need to have Form of Proxy to hand when you log on as it contains information which will be required to validate your submission. For further information, see the guidance notes on the Form of Proxy; or
 - (c) in the case of CREST members, by utilising the CREST electronic proxy appointment service in accordance with the procedures set out below and in the case of (a), (b) and (c) must be received by the Company not less than 48 hours before the time of the meeting.
7. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Annual General Meeting and any adjournment thereof by using the procedures described in the CREST Manual (which can be viewed at www.euroclear.com). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s) should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment, or instruction, made by means of CREST to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear

UK & Ireland Limited's ('EUI') specifications and must contain the information required for such instructions, as described in the CREST Manual. The message regardless of whether it relates to the appointment of a proxy or to an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA 19) by the latest time(s) for receipt of proxy appointments specified in this notice of meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5) of the Uncertificated Securities Regulations 2001. CREST members and where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy instructions. It is therefore the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his or her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

If you are a person with information rights under section 146 of the Act you do not have the right to appoint a proxy. Any such forms returned by such persons will be ineffective. You may however have specific rights to instruct the member who granted you information rights as to how such member exercises their right to appoint a proxy.

8. Biographical details of the Directors, including their membership of Board committees, are set out in the Annual Report and Accounts for the year ended 31 December 2018. There is no Director's service contract of more than one year's duration.
9. The total number of ordinary shares of 17 3/11th pence in issue as at 2 March 2019, the last practicable day before printing this document and the total number of voting rights was 191,456,172. No shares were held in treasury.
10. Pursuant to Chapter 5 of Part 16 of the Act (sections 527 to 531), where requested by either a member or members having a right to vote at the meeting and holding at least 5 per cent of total voting rights of the Company or at least 100 members having a right to vote at the meeting and holding, on average, at least £100 of paid up share capital, the Company must publish on its website, a statement setting out any matter that such member or members propose to raise at the Annual General Meeting relating to the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the Annual General Meeting. Where the Company is required to publish such a statement on its website it may not require the members making the request to pay any expenses incurred by the Company in complying with the request, it must forward the statement to the Company's Auditors no later than the time the statement is made available on the Company's website, and the statement may be dealt with as part of the business of the Annual General Meeting. A member or members wishing to request publication of such a statement on the Company's website must send the request to the Company using one of the following methods:
 - (a) in hard copy form to the Secretary at the Registered Office - the request must be signed by you;
 - (b) by e-mail to agm@bodycote.com
 - (c) by fax to +44(0)1625 505313 marked for the attention of the Group Company Secretary.

Whichever form of communication is chosen, the request must either set out the statement in full or, if supporting a statement sent by another member, clearly identify the statement which is being supported, and be received by the Company at least one week before the Annual General Meeting.

The addresses at paragraphs (b) and (c) above are, in accordance with Article 178 of the Company's Articles of Association, specified solely for the purpose of communications in respect of this meeting and for no other purpose.

11. A copy of the Articles marked to show the change proposed by Resolution 20 will be available for inspection at the registered office of the Company at Springwood Court, Springwood Close, Tytherington Business Park, Macclesfield, Cheshire SK10 2XF during normal business hours on each business day (Saturday, Sunday and public holidays excepted) from the date of this notice until the conclusion of the Annual General Meeting. Copies of the Executive Directors' service contracts and Non-executive Directors' letters of appointment will be available for inspection at the Company's registered office during normal business hours on each business day (Saturday, Sundays and public holidays excepted) from the date of this notice until the conclusion of the Annual General Meeting. The documents referred to above will also be available for inspection at the place of the meeting from at least 15 minutes before the meeting until it ends.
